fitting designs
for bathrooms
and kitchens

Black

Timelessly contemporary

2

Why choose black fittings?
The answer is simple: because they allow us to express our personal interior style in a special, confident yet effortless way.

Black has many benefits.

It speaks for itself.

It is at peace with itself.

It is unobtrusive.

In short, black allows the form and function of your KLUDI fittings to take centre stage. An understated, and therefore convincing, commitment to premium design.

That's why we have just one goal for this brochure: We want to show you how to create elegant style highlights with black – eschewing any short-lived trends.

4

KLUDI NOVA FONTE

Minimalism reinterpreted

KLUDI NOVA FONTE. A unique concept with three design versions, one in matt black – KLUDI NOVA FONTE Puristic. Design with understated, subtle elegance. Precision geometry, reduced form.

Beautifully integrated bath diverter:
almost flush with the spout, yet still
easy to find and use.

The aesthetically pleasing, matt-black
version highlights the design's character
and emphasises the functional design
which is reduced to the bare essentials.

Consistently minimalist like
all design elements of
KLUDI NOVA FONTE Puristic –
the single-hole fitting.

KLUDI BOZZ

Purism in its purest form

Straightforward – no frills. Timeless, elegant and simple range for washbasins, baths and showers. Harking back to water pumps of bygone days.

KLUDI BOZZ

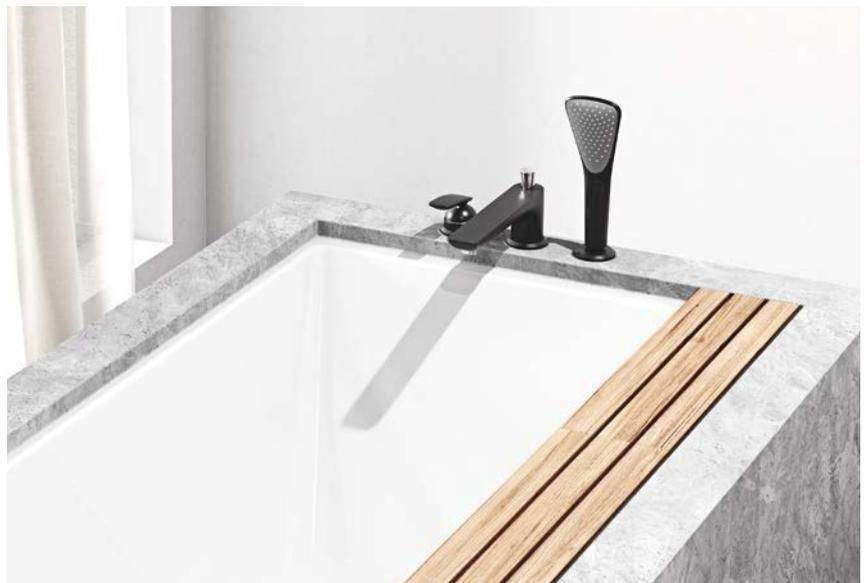

←
The premium matt black effectively contrasts with the white of the ceramics, letting the fitting truly come into its own.

→
Simply incomparable:
the uncompromising
linearity and strictly
geometrical design.

8

→
Sleek and slimline, the trend for bathroom ceramics. The delicate bath rim combines with the three-hole bath rim fitting to create a harmonious uniform look.

KLUDI BALANCE

KLUDI BALANCE

Inspired by the shapes of nature

Harmonious design with gentle curves, extensive surfaces and great attention to even the smallest details.

Both fashionable and practical: the wall-mounted single-lever shower mixer in elegant matt black doubles as a shelf.

→
Hand shower with emptying
function. Advantages: no
residual water for the next
shower, no annoying dripping.

KLUDI FIZZ Unique fan shape

Soft and minimalist design in a perfect blend of natural forms and functionality. The matt black enhances the unique fan shape of the head and hand showers and accentuates their contours.

KLUDI A-QA

Function and form in perfect harmony

Just the way you like it: the wide range of head showers of different sizes gives everyone an individual shower experience.

The head showers blend well with materials like wood and marble.

KLUDI L-INE / KLUDI L-INE S Linear design

Minimalist. Perfect for kitchens with a purist aesthetic. Striking, linear design with L-shaped spout. KLUDI L-INE S is the delicate version of the design.

Matt black lets the two fittings' individual, idiosyncratic characters come into their own.

KLUDI BINGO STAR/KLUDI BINGO STAR XS Dynamic

Vibrant design combined with outstanding functionality and comfort: the trademarks of KLUDI BINGO STAR. The same is true for the smaller version, KLUDI BINGO STAR XS, with its delicately designed, subtle arched spout.
